The Royal Australian Chemical Institute Inc. is both the qualifying body in Australia for professional chemists and a learned society promoting the science and practice of chemistry. It is concerned with the teaching and practice of chemistry and with the application of chemistry in industry, academia and government authorities.

As part of its commitment to increasing scientific literacy among students, the Institute is preparing an education resource website for teachers across Australia. Content for this website was developed as part of the *Australian School Innovation in Science, Technology and Mathematics Project* funded by the Australian Government Department of Education, Science and Training as a part of the *Boosting Innovation in Science, Technology and Mathematics Teaching (BISTMT) Programme*.

On Completion, submit form to Mr Alasdair Hey, NSW Competition Coordinator (Sydney), on the morning of the National Competition or failing that, mail to: PO Box 306 Camden NSW 2570. Release forms will be forwarded to ASISTM Project Coordinator, The Royal Australian Chemical Institute Inc., 1/21 Vale Street, North Melbourne, VIC 3051. Phone: 03 9328 2033 Fax: 03 9328 2670
